

Brussels Sprouts

MicroDried® Brussels Sprouts offer versatile solutions with a natural appeal. Made using our innovative Radiant Energy Vacuum (REV) process, our Brussels Sprouts maintain their memorable aroma, intact cell structure, color and flavor.

Clean Ingredient Statement: MicroDried Brussels Sprouts are processed without any additives or preservatives, ensuring a clean and simple ingredient statement.

Nutrient Rich: Thanks to the REV process, MicroDried Brussels Sprouts retain their high nutritional analysis, preserving essential vitamins and minerals, adding value to a wide range of applications.

Versatility: Whether you need Brussels Sprouts powder for even flavor distribution, fragments for distinctive piece identity, or whole/halves for unique texture and visual appeal, MicroDried offers versatile Brussels Sprouts products suitable for various applications.
